If your dancer loves to perform – HERE'S SOME FAST FACTS ABOUT OUR COMPANY

The DANCE UNLIMITED REPERTORY COMPANY is an award-winning competitive dance team for all ages and abilities. Dancers who are interested in more performance opportunities are encouraged to audition. Dancers typically compete in 3 regional (local) competitions, attend one dance workshop, perform at community events & studio Showcases, and are featured in a main stage production of the Wizard of Oz at the Weinberg Center.

This new team will get our youngest dancers off to a good start – on a smaller scale - but still surrounded and inspired by the amazing dance role models on our older teams. AND of course, with a super fun team costume
